## **ANTHEM BLUE CROSS BLUE SHIELD Contracts with DiaMed, Inc.**

**Canton, OH — (February 2, 2007)** - DiaMed, Inc., a specialty provider of Home Medical Equipment and Oxygen serving Northeastern Ohio, has successfully fulfilled the requirements for becoming a provider for Anthem Blue Cross Blue Shield. DiaMed assists patients with their home care needs throughout their disease progression for the course of their life.

Based in Canton, Ohio, DiaMed is one of the few full-service home care providers – with a complete line of oxygen, respiratory, mobility, orthopaedic, diabetic, wound care and home medical equipment and supplies.

DiaMed has received the *Exemplary Provider Certificate of Accreditation* and employs staff therapists and insurance specialists who work with health professionals and family members to ensure that customers' receive the products that are *right* for their needs. The DiaMed team continually educates customers on their choices and the staff will pre-certify and bill insurance carriers, including Medicare and Medicaid. DiaMed also has Manufacturer Certified personnel to deliver, repair and modify products and maintains a 24 hour Oxygen Hotline to service oxygen customers. Customers may visit their showroom at 3670 Progress St. NE Canton, Ohio.

DiaMed is proud to be a provider for the Anthem Blue Cross Blue Shield members.
