FOR IMMEDIATE RELEASE

MEDICAL SUPPLIERS EXPAND THROUGH MERGER

Canton, OH — (December 1, 2007) – DiaMed, Inc. announced today that they are growing rapidly through acquisitions and mergers with other medical supply companies. The most recent merger for DiaMed, Inc. is with New Jersey based Community Surgical Supply. DiaMed and Community Surgical Supply will form a new company called DiaMed USA, LLC (DiaMed USA).

The board of managers for DiaMed USA will include Scott Wakser, Doug Sharpe, Michael Fried, Jerry Fried and Howard Fried. Scott Wakser who will serve as CEO said, "We are growing and growing fast! We will aggressively be expanding facilities and sales forces within territories throughout the Midwest, northeast and southeast including Ohio, Michigan, Pennsylvania, New Jersey, New York, Delaware and beyond."

DiaMed USA will have over 70 years of combined experience in the medical supply industry. Distribution facilities will be located in Ohio, Tennessee and New Jersey. "It's our goal to continue finding partners to merge with or acquire," said Wakser.

DiaMed USA offers over a full-range of high quality medical equipment and supplies. DiaMed, Inc. and Community Surgical Supply have helped set-up and now provide service to some of the largest physician practices and are proud to be endorsed by the Stark County Medical Society, Mercy Medical Center, University Hospital Health Systems, The Medical Society of Greater Akron and many others.

As a member of National Distribution & Contracting (NDC), the largest purchasing organization in the medical industry, DiaMed, Inc. and Community Surgical Supply have developed nationwide purchasing power and offer *StarLine*, a high quality private label, at lower costs. "We plan to continue to provide the best price on medical equipment and supplies while helping to enhance patient care. The philosophy's of both companies has been and continues to be that physicians need a partner and deserve to have responsive service. We work closely with physicians to offer them proactive business ideas that help lower costs and enhance patient care," Wakser concluded. We invite you to visit www.diamedinc.com or www.communitysurgical.com.
